DETAILED ACTION

This office action is responsive to the amendment filed on 12/22/2004.

EXAMINER'S AMENDMENT

An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with Vincent K. Shier on February 18, 2004.

The application has been amended as follows:

In the claims:

Please cancel claim 19.

Claims 1-18 and 20-30 are allowed.

STATEMENT OF REASONS FOR ALLOWANCE

The following is an examiner's statement of reasons for allowance:

Kawai (US' 504) teaches a hair dyeing composition comprising direct dyes (see col. 5, line 45), hydrocarbon oils (see col. 6, lines 8-14), alkoxy-modified silicone of dimethyl polysiloxane (see col. 2, lines 40-65 and formula I) and organic solvent of aromatic alcohols of a formula (A) (see col. 2, lines 5-28), wherein the dyeing composition has a pH in the range of 8-12 (see col. 6, lines 34-44). Kawa also teaches that any pH lower than 8 results in a failure to sufficiently achieve the object of the composition (see col. 6, line 44-45). However, patentee differs from applicant in that Kawai does not teach or disclose a dyeing composition having a pH

in the range of 2 to 5 and wherein the composition comprises at least one acid dyes as required in the instant amended claims. Accordingly, the claimed subject matter as a whole would not have been obvious ton one having ordinary skill in the art of hair dyeing formulations.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Eisa B Elhilo whose telephone number is (571) 272-1315. The examiner can normally be reached on M - F (8:00 -5:30) with alternate Friday off.

If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, Yogendra Gupta can be reached on (571) 272-1316. The fax phone number for the organization where this application or proceeding is assigned is 703-872-9306.

Information regarding the status of an application may be obtained from the Patent Application Information Retrieval (PAIR) system. Status information for published applications may be obtained from either Private PAIR or Public PAIR. Status information for unpublished applications is available through Private PAIR only. For more information about the PAIR system, see http://pair-direct.uspto.gov. Should you have questions on access to the Private PAIR system, contact the Electronic Business Center (EBC) at 866-217-9197 (toll-free).
